## KVK, ICAR-CICR, Nagpur & District Agriculture Department jointly organized “Soil Health Management” Programme at Kolar village, Nagpur.

KVK, ICAR-CICR, Nagpur and District Agriculture Department-Nagpur Jointly organised “Soil Health Management” Programme at Kolar village Nagpur on dated 06-01-2021. The programme was Chaired by Dr. S. S. Patil (SMS-Extension) KVK, ICAR-CICR, Nagpur. In This programme Taluka Agriculture Officer- Mr. Loute, Nagpur, Krushi Sahayak Mr. K. J. Wanjari, Sh. Eluka Sridhar- Soil Lab Technician KVK, ICAR-CICR, Nagpur were present.

On this occasion Dr. S.S. Patil (SMS-Extension) KVK stressed on importance of Soil testing and application of fertilizers as per recommendations given on Soil Health Cards for reducing cost of cultivation and he also urged the farmers to conserve good quality of soils and stop the excess use of fertilizers which have led to serious hazards on the soil health. He suggested to the farmers to focus on Organic farming and applying Organic manure is the only solution to improve the Soil Organic carbon productivity in the future. After that Taluka Agriculture Officer- Mr. Loute, Nagpur suggested to the farmer’s use of Bio-fertilizers certainly help to maintain quality of soils and improves productivity of crops. He also emphasized on the micronutrients availability in soil and their importance in plant growth and development. In this Programme about 50 Farmers attended.
